

Maple Agri Foods

B2B Product Sheet — Premium Rice, Wheat & Pulses for Ottawa & the Ottawa Valley

Company Snapshot

Maple Agri Foods is an Ottawa-based bulk importer of premium rice, wheat, and pulses. Since 2014 we have sourced directly from heritage growing regions in India, Pakistan, Thailand, and Vietnam, serving restaurants, grocers, caterers, and distributors across the National Capital Region.

Product Catalogue

Minimum Order Quantity (MOQ)

- Retail / sample orders: from 25 kg (mixed SKUs)
- Wholesale: 500 kg – 1 MT per SKU
- Full-container loads (FCL): 20' (~22 MT) or 40' (~26 MT) — preferred for landed-cost savings
- LCL consolidation available from our Mississauga / Montreal partner warehouses

Annual Supply Capacity

Combined contracted capacity exceeds **14,900 metric tonnes per year** across all SKUs, with surge capacity of an additional 20% during peak harvest (Oct–Feb for basmati, Jul–Oct for jasmine). Forward contracts available for 6–12 month supply commitments with price-lock options.

Packaging Options

- **Retail:** 1 kg, 5 kg, 10 kg printed PP woven bags with BOPP laminated branding
- **Foodservice:** 20 kg, 25 kg jute or PP bags with inner liner
- **Bulk:** 40 kg / 50 kg PP woven sacks, optionally palletised & shrink-wrapped
- **Private label:** Custom artwork, barcoding, and bilingual EN/FR labels available from 5 MT

Quality & Certifications

FSSAI, ISO 22000, HACCP, SGS pre-shipment inspection, CFIA-compliant import documentation, optional organic (USDA / Canada Organic) and non-GMO certifications.

Lead Times & Logistics

- Ex-stock (Ottawa / Mississauga warehouse): 2–5 business days
- Direct import FCL: 6–10 weeks port-to-door
- Incoterms: FOB, CIF, DDP — Halifax, Montreal, Toronto
